Dear Carolyn

RE: Endorsement of Construction Environmental Management Plan, Sydney Metro Southwest - Hurlstone Park, Belmore, and Wiley Park Station Upgrades

Thank you for providing the following document for Environmental Representative (ER) review and endorsement as required by the Condition of Approval A26 (d) of the Sydney Metro Sydenham to Bankstown Infrastructure Approval (CSSI 8256, 12 December 2018):

- Construction Environmental Management Plan – Southwest Metro – Hurlstone Park, Belmore and Wiley Park Station Upgrades, Rev 05 dated 11 August 2021 (Ref: SWM-HBW-CEMP-001) (the CEMP) as required by Condition C1 of the Infrastructure Approval.

The CEMP was updated to include the following:

- outline the relationship between the CEMP and the Principal Contractor's Environmental Management Systems (EMS); and
- reflect this relationship and related additional requirements.

As an approved ER for the project, I have reviewed and provide comments on this document and the minor changes proposed. Accordingly, I approve the amendment of the Plan for implementation.

Yours sincerely

Brett McLennan
Environmental Representative – Sydney Metro – City and South West
