

New Intercity Fleet

Stations and Signalling Modifications

NOVEMBER 2018 COMMUNITY NOTIFICATION – CENTRAL STATION

The NSW Government is delivering a New Intercity Fleet to replace the trains carrying customers from Sydney to the Central Coast, Newcastle, the Blue Mountains and the South Coast.

The new state-of-the-art trains will replace the ageing V-Sets to provide customers with a more comfortable and reliable journey. The trains will feature wider, more spacious two by two seating for extra room and comfort with arm rests, tray tables and high seat backs, charging ports for mobile devices, dedicated spaces for luggage, prams and bicycles, improved accessibility including wheelchair access and accessible toilets, improved customer information through digital information screens and announcements, CCTV and help points, and modern heating, ventilation and air conditioning.

Project overview

Modifications will be made to the existing rail infrastructure at a number of stations at various locations across the electrified network to support the introduction of the New Intercity Fleet and allow for improved technology on the new trains.

Work will be completed during **standard construction hours - 7am to 6pm Monday to Friday and 8am to 1pm Saturday**. Some work may be required outside these hours however the local community and businesses will be notified prior to work taking place.

Monday 26 November to Friday 30 November 2018

We will be working at Central Station on platforms 5,6 and 7 from **10pm to 6am each night from Monday 26 to Friday 30 November** to carry out communication service installation and installation of platform footing anchor points.

A map of the work area is provided overleaf.

What you may notice

Equipment to be used includes core driller, scissor lifts, drills and other hand tools. This work maybe noisy at times however we will take every possible step to reduce noise such as turning off machinery when not in use.

Keeping the community informed

If you would like to speak with the project team about this work, please contact us at the details provided below. Thank you for your patience and understanding during this work.
